# HERITAGE DAYS

NOVEMBER 19 & 20TH

IN EL MORRO MPR

As the leaves change and the air turns crisp, it's that time of year when we unite to express gratitude for life's blessings and embrace the diverse cultural heritages in our school community.

The PTA is excited to bring Heritage Days to our school on November 19th and 20th, just before we break for the Thanksgiving holiday.

Stay tuned for updates through room parents next week, covering volunteer opportunities, traditional dressing, food donations, and more. We're eager to immerse our students in enriching cultural experiences, fostering appreciation for diversity and tradition, along with hands-on ancestral crafts and activities, all while reflecting on what we hold dear.

# ABOUT HERITAGE DAYS

El Morro has always been rich in history, from the indigenous tribes and communities who used to live and farm on its land to the school opening in 1953.

So this year we celebrate not only the heritage of El Morro, but of its students. We hope Heritage Days, this year, embraces the unique cultures of the El Morro community and really shows how thankful we all are.
